Abdulla Hussain Mondal

Sr. UI/UX Designer & Html Developer

A creative and detail-oriented UI/UX Designer with 11+ years of experience crafting intuitive and visually appealing digital experiences. Skilled in user research, wireframing, prototyping, mobile app, and interaction design using tools like Figma, Canva, Adobe XD and Adobe Photoshop. Possesses strong HTML, CSS, and jQuery knowledge, ensuring seamless design implementation. Focused on enhancing usability, accessibility, and user engagement through thoughtful design solutions. Thrives in collaborative environments, working closely with developers and stakeholders to transform ideas into functional, user-friendly digital products that drive business success.
